Hi, just want to say that I think this is very good. Not "ugh" at all. I've looked it over and haven't read it word for word yet, but overall I can tell I won't have major comments, just little edits. If you get feedback from IOAA specials and others in NCEA, don't wait for me.

No worries.
Not bad at all, given time constraints.

Subject: first draft of oversight response

Hi all,

Ugh.... This was harder than I thought. Here's a first draft. Chop away.

I've attached a copy of the house oversight letter as well. Feel free to add/edit/and wordsmith as needed. Time's short on this one.
